DEDICATION

Mrs. Mary Truscott makes Lopez run like clockwork. Having attended Father Lopez, Mrs. Truscott followed up her high school career by being employed as school secretary. Sister Rose Ellen commented Mary Truscott is ".... efficiency personified." Talk to any of the teachers and they will tell you that the office doesn't run well without her. She has a way about her that inspires. Mrs. Truscott celebrated her 20 year employment mark in January of this year. The school owes her our respect and honor. Thanks to her dedication, we the Veritas staff dedicate our book to Mrs. Mary Truscott.

Faculty - 19

Mrs. Helen Jerabek has been librarian at Father Lopez for seven years. She was born in Yonkers, New York and moved here from Bartow, Florida in 1971. She has two children. Mrs. Jerabek is a quiet person who does a good job of keeping 'her' library in order. Outside of Father Lopez activities, Mrs. Jerabek loves to read, ride bikes, and go fishing.

In charge of guidance at Father Lopez is Chuck Mojock. Born in Pennsylvania, he is a graduate of Stetson with a Masters Degree in counseling. Mr. Mojock coaches, for the first time, J.V. basketball. Also for the first time he is the sponsor of N.H.S. To relax Mr. Mojock plays basketball and tennis. He also likes to dance with Mrs. Mojock at the local disco. Canoeing and reading science fiction are some pastimes of theirs, but their favorite thing to do is to be spontaneous and not make plans. Mr. Mojock's most memorable moments were meeting his wife at a party, and carrying a V.W. into the gym for a college pep rally.

Sister Miriam, of the Dominican Order, is a graduate of Fordham University in New York. She has spent four years at Lopez as secretary of the guidance office, record keeping, and library aid. Sister Miriam's favorite pastimes include knitting, cooking, and taking long walks on the beach. She also loves to travel. Sister Miriam admires Father Lopez's great enthusiasm for sports, and the enjoyable atmosphere it creates.

Superintendent of Grounds, Roosevelt Wilmore has seen the many changes of Lopez over a period of twenty years. He has been at Lopez longer than any other staff member. He enjoys most sports, especially football, baseball, and basketball. "Rosie" likes Lopez because of the nice people he has met throughout the years. For him every day is a memorable experience when dealing with high school students.

Mrs. Mary Truscott was born in Bloomington, Illinois. She has put in twenty faithful years at Father Lopez. Mrs. Truscott graduated from St. Paul's and went on to be Father Lopez's secretary. She was then married in 1971. Mrs. Truscott's hobbies include fishing, reading, and crewel, but her favorite 'hobby' is Shanon Tramont. The one thing she likes best at Father Lopez is '. . . the kids.''

Mrs. Evelyn Champange, Father Lopez's bookkeeper, has been a part of the staff for four years. The work she does is very demanding and the only problem she's ever had was mixing up the accounts. All in all, Mrs. Champange does a great deal to keep Father Lopez functioning financially. When asked what she liked most about Father Lopez, she said, "Mrs. Truscott." Outside of school Mrs. Champange is busy taking care of her husband and two boys. When she has spare time, she enjoys knitting and needlepoint, which are among her most enjoyable hobbies.

"Give me your 'Wham-o' what?"

"Give me back my Big Wheel!"

"Gonged again!"

"Only five years overdue"

''I'm so angry.'' Ha Ha Ha

"You did what to the floatbeds?!"

"I wish those boys and girls would be quiet!"

"My fellow Americans "

"The long and the short of it."

"You drove my car where?!"

"If I have to call y'all down again . . . "

"Surf's up!"

"Nooooooo!"

Mrs. Raisa Leorza was born in Cuba where she attended the University of Havana. She is the Father Lopez Spanish teacher and has been at Father Lopez for fourteen years. Mrs. Leorza enjoys classical music, ballet, sewing and traveling. She enjoys Father Lopez because it is a small school where people can get to know each other, and this reminds her of the high school she attended in Cuba. Mrs. Leorza's most memorable moment at Father Lopez was cheerleading at a faculty game.

"Did I ever tell you about Kennedy?"

Mr. Bruce Tramont enjoys music, sports, and playing the piano. He teaches Social Studies 12, and American History. Mr. Tramont's most memorable moment at Lopez was playing in the State Basketball Championship. His favorite foods are spaghetti and lobster. One of the most humorous faculty members of Father Lopez is Mrs. Helen Belanger. Born in upper New York, Mrs. Belanger was educated at New York State College for teachers. She also attended Stetson University, where she received her masters degree. She teaches freshman and sophomore English classes and coaches the girls' volleyball team and intramural volleyball. Some of her hobbies include horseback riding, swimming, playing bridge and watching soap operas. Mrs. Tidmarsh really enjoys teaching at Father Lopez because she thinks, "the students are fantastic and eager to learn. The communication is good between the students and teachers. Everyone is like one big family."

"Shouldn't you be in class?!"

Sr. Gail has taught at Lopez for four years now. She teaches Theology, World Culture, and Social Studies 12. She is the J.V. cheerleaders' sponsor and tries very hard to get people to sing at masses. Sr. Gail loves teaching at Lopez because she gets to know everyone. She said that one-to-one relationships are formed and that adds a personal touch. She also said the teacher-student relationships are good and can grow easily in this environment. Her hobbies include cooking, sewing, going to the beach, and running.

"Have you seen the new fall habits?"

"No I'm not sponsoring intramural Sky Diving."

Sister MaryAnn of the Dominican Order is actively involved in many Father Lopez activities. She teaches freshman and sophomore Theology and World Culture classes. The service club, brain bowl and freshman cheerleaders are all sponsored by her. Sister MaryAnn enjoys the sunshine at the beach and in her free time can be found beachcombing, jogging, and reading. She says she likes Father Lopez because of its smallness and the involvement of everyone in the activities.

"Not another one of Mike Simmons' jokes."

Mrs. Cathy Boyle, a native of Daytona Beach, is enjoying her third year at Lopez. She teaches English 10, Creative Writing, and Journalism. Mrs. Boyle runs the lunch line to provide refreshments to the students. Other school activities include being a swinging golf coach and one of the junior class sponsors. She feels Lopez is a special school because it's small, friendly, and people support one another. Mrs. Boyle feels she has learned a great deal about the complexities of the busines world while at Lopez. She has had a great deal of experience through the yearbook and newspaper publishings. Mrs. Boyle provides us all with our memories.

"I'm in the middle of grading 100 test papers and you want to know what?!"

"What do you mean the managers are in the huddle."

Mrs. Irene Rynecki was born in New Britain, Connecticut. She attended Central Connecticut State University and majored in French. After coming to Father Lopez in the middle of last year, Mrs. Rynecki returned again as a part time teacher of French. Besides teaching and sponsoring the French Club, she is also working on a Masters in Art Education which she hopes to finish by the end of the summer. Outside of Father Lopez activities Mrs. Rynecki enjoys painting, music, and tennis. Since she has been here Mrs. Rynecki has found that she enjoys most of all the overall relaxed atmosphere and the fact that it is small.

Mrs. Sharon Belcher teaches junior and senior English classes at Father Lopez. She majored in grammar and is now working on her Masters Degree in counseling. She loves to travel and has visited England, Spain, and Germany. Her hobbies include macrame, sewing and playing tennis. Mrs. Belcher moved to Florida ten years ago from Missouri. While working on her masters she has attended various other colleges taking special courses. In her first year at Father Lopez, Mrs. Wentz teaches girls' physical education. She also sponsors crosscountry and the Pep Club. Mrs. Wentz has traveled to North East Canada and enjoys all outdoor and indoor sports. Her favorite hobbies include gardening, raising tropical fish, and cooking.

"You want to fight about it?!"

Mr. Robert Dey was born in Atlanta, Georgia and grew up in Jacksonville, Florida. He attended and graduated Stetson University. Before coming to Father Lopez Mr. Dey worked as a coach and counselor at the Ormond Beach Recreation Department. He is still continuing this job in the summer months. Mr. Dey helped coach J.V. football and many other Father Lopez sports and activities. He also started a math club which got off to a good start in its first year. The main reason Mr. Dey came to Father Lopez is because he's familiar with the area and likes the Lopez reputation.

"Oh, go on!"

Mrs. Carol Smith was born in Chicago, Illinois, and is presently living in Daytona Beach with her family of eight. She taught at Osceola Elementary for two years before coming to Father Lopez. Mrs. Smith is the cooking and sewing teacher. For enjoyment she is an avid sports fan, especially where football is concerned. Sewing and crocheting are among her favorite hobbies and in her spare time she enjoys judging gymnastic competitions.

Mr. Bruce Brady was born in Canton, Ohio but has lived in the Daytona area for most of his life. He graduated from Seabreeze High School in 1960 and then attended a radio announcement school in California. He served in the Air Force and afterwards went back to college full time. Mr. Brady teaches art at Fr. Lopez. He is married, has two children and many hobbies. Some of these include sailing, sports car rallying, cycling, photography, art, and music.

"But 1 + 1 has to equal 3!"

All in all, the Boosters further the abilities of participants in Lopez sports.

PARENTS' ASSOCIATION

Offering parents a way to get involved with school activities, the Parents' Association invites all to contribute their suggestions and ideas through this organization. Some of the programs prepared and sponsored by the P.A. were an orientation evening for the parents, a faculty dinner, Koffee Kotches, the Lopez fair and the underclassmen and senior awards nights. With enthusiastic officers Jerry and Pat Berndt, co-presidents; Judy Cook; Betty Nowviskie; Betty Loucks; and Betty Bookmyer, the group helped to run Lopez a little more smoothly.

STUDENT GOVERNMENT ASSOCIATION

Under the leadership of President Greg Smith and Sponsor Mr. Bill McCabe, the '78-'79 Student Council had a successful year. Traditional projects such as Homecoming, the Magazine Drive, writing up the school calendar, Mini Course Day and Fun Day are a few of the many functions that the S.G.A. does for Father Lopez. S.G.A. may be the busiest organization at Lopez, but it is also the club that can always be counted on to get things done.

MANAGERS

Baseball - Mo O'Reilly

Varsity Basketball — Joe Nordmann, J. V. Basketball David Culver, Ann Kelly, Freshmen Basketball -Julie Keough, Charlie Bines, Eileen Demming and Nikki Poselovic

The true backbone of all sports is the managers. Managers must clean up after the players and prepare uniforms. They also take a lot of abuse from coaches and players while much of their effort is overlooked. But their voluntary help is needed greatly and these very dedicated individuals should be greatly

appreciated.

SURF'S UP

When the waves are hot the absentees at Lopez are many. Several of the young men that go to Lopez take part in one of the most fun and healthy pastimes known to man. Surfing!! Getting barreled on a six foot wave is one of the ultimate rushes of surfing. The spray in your face and the speeding water at your feet are experiences that only a surfer knows.

WEIGHTLIFTING

The newest addition to the Lopez sports scene was the mighty Weightlifting team. Coach Bill McCabe was the strongmen's coach and spiritual leader. Several meets were planned for the three month season with the 2A State meet being held March 10 at Hawthorne High School. The Lopez Lifters enjoyed a very successful year and had loads of fun

Sophomore Court — John Lloyd and Melissa Smith Homecoming — 56

Junior Court — Jim Gildea and Leslie Krawczynski.

Freshman Court — Monica Bendezu and Pat Kelly.

Homecoming King and Queen 1978-79, Dennis Culver and Mary Pat Kelly.

The crowning of the King

Homecoming for the 1978-79 was centered around the Old West. The week was filled with activities along with the traditional float building. The crowning of this year's court began the week. The Homecoming Court consisted of Pat Kelly and Monica Bendezu as freshman court winners, John Lloyd and Melissa Smith were the sophomore court. Junior court members were Jim Gildea and Leslie Krawczynski. The senior court members were Phil Maroney, Mica Smarse, Kevin Amara, and Mo McGrane. The King and Queen of 1978 Homecoming were Dennis Culver and Mary Pat Kelly.

Homecoming activities filled the week with the enthusiasm and spirit necessary for building up the atmosphere. The Whopper eating contest took place on Oct. 24, giving students a chance to show that their big mouths were good for something after all. Emceed by Mr. Pittman, the Gong Show was another event. The show consisted of the traditional dryhumored acts that Lopez students have all come to know. Lopez was treated to another activity when the Grand Staff singers visited and displayed their talents.

Homecoming '78 was certainly a time to be busy. Clubs and classes found time to creatively decorate cars and floats in accordance with the theme "Western". The Homecoming parade was a successful festive activity. The BCC band overwhelmed Father Lopez students and bystanders as the parade marched on. Float-building took place at the Armory. Of course, as tradition allows, last minute touch-ups and float finishing took place Thursday and Friday. Each float was a display of hard work and originality. The Freshman-Senior float headed by Greg Smith was well constructed, but the winning float was the Sophomore-Junior float construction headed by Wes Dunn.

The Greenwave football team whomped on the Flagler Bulldogs with an impressive score of 31-13. The game was one of excitement and fun as the homecoming game proved to be a victorious one.

Homecoming dance, the highlight of the week, was held at the newly built Sica Hall. The band, Fusion, was excellent. The unbelievable turnout added to the fun and success of the evening.

MISS LOPEZ

FRIENDS AND LOVERS

You know how to be a friend to be counted on, and to trust to share good times and not-so-good times

You know how to give and take . . . to lend a hand . . .

to be thoughtful and kind, and to always be there

You know how to always be a very special part of my life.

GRUB DAYS

Once a month, for 25¢ the student body at Lopez has the chance to wear civilian clothes.

Grub Day is the name given to this special occasion. The donations are collected by one of the many organizations at the school and used for the groups' financial needs. Many times the grub days will have certain themes such as Western, 50's, and Spirit Day.

DRESS UP DAYS

Dress-up days come only once a month. That day is known well by all the students as the first Tuesday of the month. This is a day that gives each student a chance to express him or herself. Students will come in an array of colors and styles. Although it is a special day, everyone is glad to get back to the routine.

FIFTIES DAY

aleste Price, Debbie Borges, Bill FAGAN, Greg Metz, MARY ANN Gilder, Da O'REIlly, Carol Connorinto

PEP RALLIES

Pep rallies this year were a great way of perking up spirit and letting off steam. Many new and different things were expressed at pep rallies. Among the variety of skits and games were, "Grease", gold fish eating, the old west, the boy cheerleaders, and a summary of all these in memory lane. Great times were experienced and those "happy days" will long be remembered by all.

AT YOUR CANDID BEST

FUNDRAISING

Bakesales, candy sales, car washes, grub days, and magazine drives are some of the many ways money is made to support various clubs around school. This year the major fundraising drive was sponsored by the School Board to supply Lopez with a badly needed extension to the library.

LIFE AT LOPEZ

Certainly as much goes on after school as it does in school. The parking lot becomes a mass of bodies moving in an infinite number of directions. Mingling will continue there for the next hour. Most school sports have their practices at this time. Everyone hurries to get ready for his or her own sport. Detentions will also be served during this time. People waiting eagerly for their time to be finished must wait under the supervision of the assigned teacher. Any make-up test may be done after school. After school has as much activity as the working hours.

Even after hours, students gather to be with one another and to have a good time. Field trips are just another means for students to get together. Then there are the more popular weekends consisting of partying and beaching it. No matter what the activity, one factor always prevails: the unity and happiness shared among Lopez friends.

SPRING FEVER

RING BLESSING

The traditional ceremony of senior ring blessing took place at Prince of Peace Church. Father Lopez's pastor, Father Hogan presided over the ceremony. The day was filled with both sadness and joy, which created unity among the senior class of 1979. Following the mass, there was a buffet luncheon at Tomoka Oaks Country Club. The event will be a memorable one for all the members of the class of '79.

PROM'79

Prom was held on April 7 at the Americano Beach Motel. Everyone danced the night away to the sounds of "Fusion". Prom's theme, "The Grand Illusion" was a big success. Sponsored by Mrs. Klayer, the Junior Class did many fundraising activities. The prom committee worked hard and consisted of Leslie Krawczynski, Donna Fulton, and Wes Dunn and various other juniors. With everyone's help it was a big success.

VARSITY FOOTBALL

The Father Lopez football team devoted long hours of hard work towards producing the best seasonal record in this area. The Greenwave followed the usual winning tradition of the school ending up with a 7-4 overall season record, very impressive when 7 of 11 games were away. The team earned a tie for the district Championship but was edged out when a principal's vote was taken.

Captains of the mighty team were Joby Ireland, Scott Lingo, Dennis Culver, and Phil Maroney. Each of these young men did their very best to lead the Waves to a successful season. Their work was really appreciated by all the fellow players.

Our Captains

This year, under the head coaching of Mr. Bobby Pitman and specialty coaches, Bill McCabe, Bill Thompson and Nat Packard, the Father Lopez Greenwave showed the world that they really had what it took to be number one.

Head coach, Bobby Pittman; Specialty coaches Bill McCabe, Nat Packard, and Bill Thompson.

J.V. FOOTBALL

After coaches and teams had spent long hard hours of after school practice five days a week, the J.V. football team did their best. The team was led by Jim Gardinier. Though the "Ripples" may have been small in size they were huge in determination. Much credit should be given to these boys for doing a fine job.

VARSITY CHEERLEADERS

Captain Mary Pat Kelly and Co-Captain Teresa LeFils

"Get fired up", that is the main object of the Varsity cheerleaders. Their role is to get the crowd, the players, and even the parents motivated. This year the girls did many new things. Each week a cute, funny, and even weird skit was put on for the student body. Many feel that Lopez has the best cheerleaders around and the thanks should go to the Captain of the 1978-79 squad, Mary Pat Kelly, and Co-Captain Teresa LeFils.

J. V. CHEERLEADERS

The Greenwave spirit doesn't end with the Varsity cheerleaders. The J. V. girls continue to show enthusiasm and spirit in each thing they do. The J.V.s work very hard and are willing to do anything to help the pep at Lopez be the best ever. The captain of this outstanding squad is Lisa D'Assaro, and doing a fine job as cocaptain is Maria Morris. These girls are known as the group with the famous pyramids.

Captain — Lisa D'Assaro, Co-Captain — Maria Morris, Roselle Tuttle, Melissa Smith, Andrea Kivinski, Michele Keough, CeCe Roy, Sheila Puleo, Kelley Dunn.

FRESHMEN CHEERLEADERS

Terry Wymes, Kay Reilly, Michele Wolf, Georgia Johnson, Debbie Misita, Tara Traylor, Diane Ohradzansky. (Not Pictured Dottie Belitsos).

Pulled muscles, ben gay, sore throats, and sucrets are all part of freshmen cheerleading. Practices seemed so tedious but turned out to be well worth it when the players hit the court. With the yelling and cheering coming from the sideline, the freshmen boys were sure to win. Under the sponsorship of Sr. MaryAnn and the leadership of their captain, Terri Wymes, the freshmen cheerleaders was one squad all of Lopez can be proud of.

VOLLEYBALL

Spike it! Those two words could be heard often around the gym when the girls volleyball team took the court. This year the volleyball team had a very demanding schedule and was able to tie Pierson Taylor for the title of Co-champions of the tri-county-conference. Under the leadership of Coach Mary Ann Tidmarsh and Captain Becky White, the girls played very well. Although they lost the district title to Pierson Taylor, Mrs. Tidmarsh believes they had a very good year.

VARSITY BASKETBALL

Faced with many disadvantages, the Lopez team stuck together and were full of spirit. With the fine coaching of Mr. Bruce Tramont the team pulled through. Even though the team was young and didn't attain number one position, the players all worked hard and continuously showed great enthusiasm. Teamwork and drive, essential elements for victory, were present in each game. There were a number of players on the team that showed exceptional talent and promise for the future. Lopez supporters are proud of this team for its outstanding effort and sportsmanship.

GIRLS' BASKETBALL

The girls' basketball team of 1978-79 season proved to be the best team Lopez has ever had. The team consisted of only three seniors who really led this young team to a successful season.

The returning coach of the "Lady Greenwaves" was Mr. Jeff Snyder. He did a great job with the girls. They all appreciated his time and efforts.

J. V. BASKETBALL

This year the Junior Varsity ended their season with an impressive record. The season was successful thanks to the effort of their coach, Chuck Mojock. Exciting would understate the many come-frombehind victories of the J.V.'S. Their fans agree that these players will benefit future Varsity teams in upcoming years.

Members are David Culver, Ricky Lopez, Grady Irvin, Emmett Gray, Mike McNamara, Pat Dougherty, Steve Riley, Jim Gildea, Ralph DeStefano, Donnie Miller, Jim Goergen, David Seilkop, Marcus Burke.

Captains Jim Gildea and Jim Goergen

FRESHMEN BASKETBALL

Hawkins, the team improved greatly. Showing their finesse and dedication on the court in both games and practice, they seem to be headed towards an outstanding future as "Lopez Cagers".

The Freshman basketball team had a very good season this year. Under the coaching reins of Bob Dey and his assistant Kevin

Jerry Coble, Paul Simko, Tim Fortier, Steve Farmer, Pat Costello, Joe Donohue, Mike Hughes, Greg Miller.

SOCCER

The soccer team this year was as radical as ever. Father Lopez has only had a soccer team for four years and this was their most experienced year. With six returning seniors, Chris Teare, Tom Mitchell, Steve O'Dwyer, Dick Brookfield, Scott Lingo, and Greg Smith, the team was very strong. Coach Santos, trying his first year as soccer coach, tried to keep his 'radicals' under control. The soccer players had a great time on the field and did a good job for Lopez.

GOLF

This page sponsored by the Nelson Family

Once again Father Lopez had a golf team they could be proud of. This year's team was changed in many ways from teams of the past. First year coach, Cathy Boyle, symbolized the relative youth of our team, which had a majority of freshmen and sophomores. The team, however, was anchored by seniors Tom Mitchell, Kevin Nelson, and Mike Simmons and juniors Keith Kulzer and Mark Mathews. With this combination of youth and experience, the Greenies had more than their share of victories against larger

schools.

GIRLS' TENNIS

Members — Karen Martin, Lisa Gaines, Carol McCloskey, Nathalie Day, Janet Jones, Tejal Parikh

The girls' tennis team was coached by Mr. Robert Barringer this year. As compared to other years, the team was up against many tough opponents and schools much larger than Lopez. In spite of this, their hard efforts shown through and this year's tennis team had a successful year. Tennis has become an extremely popular sport and the number of members has increased this year.

BOYS' TENNIS

This year's boys' tennis team started off with a new and enthusiastic coach in Mr. Robert Barringer. The team consisted of only one senior, Robbie Newsom, who did an excellent job. The young team was aggressive and very talented. Under Coach Barringer's watchful eye, the boys concluded their season very successfully.

BASEBALL

Once again the baseball diamond at Lopez was filled with the sounds of bats cracking and runners sliding, as the Greenwaves' baseball team took the field. Cross Country is a sport of great endurance and determination. This year, 1978-79, marked the first season for a team to exist at Father Lopez. The interest was high at the start for many students but only a few very determined people met the final District Meet. The four successful people Joe Spear and Tim Fortier, and Mo McGrane and Beth Brookfield did an excellent job. Although they couldn't be classified as a "team" due to being small in number, Mrs. Wentz was very proud to have been their coach.

Song: Everybody Has A Dream
Billy Joel

While in these days of quiet desperation As I wander through the world in which I live I search everywhere for some new inspiration But it's more than cold reality can give If I need a cause for celebration Or a comfort I can use to ease my mind I rely on my imagination And I dream of an imaginary time I know that everybody has a dream Everybody has a dream And this is my dream, my own Just to be at home And to be all alone . . . with you If I believe in all the words I'm saying And if a word from you can bring a better day Then all I have are these games that I've been playing To keep my hope from crumbling away So let me lie and let me go on sleeping And I will lose myself in palaces of sand And all the fantasies that I have been keeping Will make the empty house easier to stand I know that everybody has a dream Everybody has a dream And this is my dream, my own Just to be at home And to be all alone . . . with you.
